

# Disney Chefs Retire Prestige Trophy

In an unprecedented sweep, a team of six Walt Disney World chefs won the **Annual Culinary Art Show** held earlier this month in Tampa, taking the **Culinary Grand Trophy** for the third year in a row! And based on our consecutive wins, the Central Florida Chef's Association declared the Grand Trophy "retired" with our team bringing it home permanently.

Chefs from across the United States participated in the **Third Annual Culinary Food Exhibit** in Tampa, October 10 and 11, competing for trophies and prizes in numerous

categories. Our team, under the leadership of Team Captain **Johnny Rivers** (Executive Chef, Polynesian Village) and Team Chairman **John Cardone** (Food Production Manager for Food Division), included **Peter Felgentreff** (Executive Chef, Contemporary Resort), **Marcel Paniel** (Executive Chef, Buena Vista Club), **Tony Geraci** (Chef, Village Restaurant), **Mike Neidenthal** (Chef, Golf Resort) and **Karl Sehl** (Chef, Central Food Facility Bakery). They competed in categories ranging from hors d'oeuvres & canapes to decorated fish to wild game to fancy decorated cakes; bringing "home" so many trophies that they needed a flat-bed luggage cart to get them out of the banquet room!

Collectively, they came back with 11 First Prizes, 14 Second Prizes, 12 Third Prizes, 10 First Place Trophies, 7 Second Place Trophies, 3 Third Place Trophies, and 1 Special Mention. Put all of these together, and they equal 1 Grand Trophy . . . not bad for a weekend's work!

Our congratulations go out to each for a job well done. Now the question is, where do we go from here?

## EMPLOYEE'S WIFE NAMED "MISS WHEELCHAIR AMERICA"

**Bob Chapman**, a Residential Landscape Specialist at Lake Buena Vista, was very active in his home state of Massachusetts working for the rights of the handicapped. Since moving to Florida, he and his wife **Beverly** have not let up from their pace.

The Chapmans have received numerous awards from the Muscular Dystrophy Association, the Massachusetts Association of Paraplegics, and the Easter Seal Society. But as of late, Bob has reason to be extremely proud of his wife Bev and several "special" awards she has received.

This past July, Bev was awarded the title of **Miss Wheelchair Florida 1977** in St. Petersburg, allowing her to represent our state in the national competition.

And last month, **Beverly Chapman** was named **Miss Wheelchair America** for 1977 at the national pageant held in Columbus, Ohio.

The Miss Wheelchair America Pageant is established as a focal point of effort on behalf of over 500,000

## SET CLOCKS BACK THIS WEEKEND

Don't forget that you should set your clocks **back one hour** this weekend. Daylight Savings Time officially ends at **2 am** on **Sunday, October 31**. So when you go to bed Saturday night, set your clocks backwards one hour. Not only will this gain you an additional hour of sleep, but it will prevent you from showing up at work one hour prior to your scheduled work shift!

Americans whose only limitations are those of mobility. Their ultimate goal is to close the gap between the wheelchair world and the walking world.

The pageant is judged 40% on achievement, 30% on personality, and 30% on personal appearance. As Miss Wheelchair America, Bev will travel to cities across the country serving as a spokesperson for the physically handicapped during the next year. Some trips already scheduled include:

- A visit with President Ford at the White House.
- A trip to San Jose, California, where she will officiate at the United States Wheelchair Olympics.
- Puerto Rico where she has been invited to visit by the Governor's Committee on Employment of the Handicapped.
- Tallahassee where she will be presented to Governor Askew and the full House and Senate, whereupon she will be commended in a Proclamation.

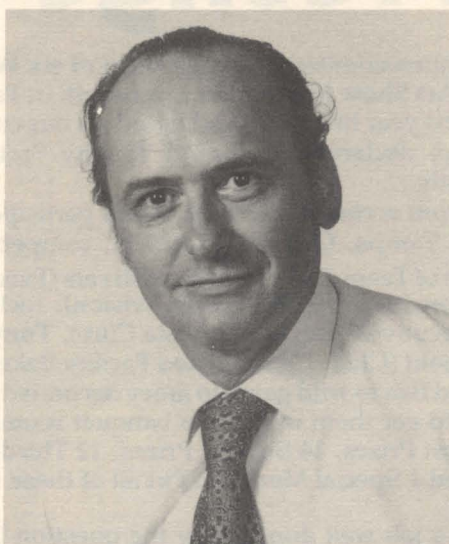

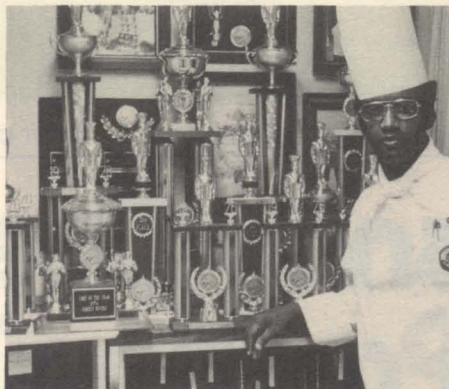

When asked what she would like to accomplish during her year as Miss Wheelchair America, Beverly said, "My dream is that someday a person with a handicap will be evaluated on his or her abilities and that we will attract attention because of what is right with us . . . not what is wrong with us. If I can bring us closer to that day, I'll be very happy."

Miss Wheelchair America is an ambassador who, by her own personal achievements, despite her disability, demonstrates literally that her constituents are physically disabled, but mentally able, keen-minded and articulate. Our sincerest congratulations go out to Beverly and Bob.

## MOUSELLANEOUS

In last Sunday's **PARADE MAGAZINE** in the **SENTINEL STAR**, the following article appeared:

*Before planning a series of biographies for teen-agers, the Dressler Publishing Company of Hamburg, West Germany, decided to poll its potential market. It asked a sampling of 300 students, aged 12 to 16, to list the people and topics they would most like to read about. The list read:*

- (1) *The Beatles*
- (2) *John F. Kennedy*
- (3) *Albert Einstein*
- (4) *Charles Chaplin*
- (5) *Walt Disney*

## EMPLOYEES GIVEN TIME OFF TO VOTE

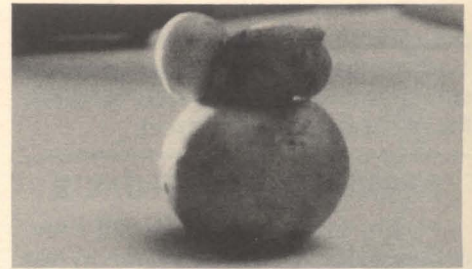

A heavy voter turnout is anticipated for the Presidential Election which will be held Tuesday, November 2, 1976. In order to allow every cast member the opportunity to exercise their voice in our electoral process, the following **time-off procedure** has been established.

If an employee does not have sufficient time outside his or her scheduled working shift to vote, they may take up to two (2) hours off for voting purposes either at the beginning or the end of his or her working shift **without loss of pay**.

In certain instances where more than two (2) hours are required to vote, employees may be granted the time off . . . but will be paid only **up to two (2) hours pay** during their absence.

It is the employee's responsibility to give their supervisor as much **advanced notice** as is practically possible. And it is the supervisor's responsibility to **evaluate** and **grant** the request based on scheduled working shift, location of the polling place, transportation requirements, etc.

With the heated and closely run campaigns currently underway, all predictions call for heavy voter turnout. The polls will only be open from **7 am to 7 pm**, with some wait time expected. Please consider these elements when making your arrangements to vote at your polling place . . . and do vote, it's your voice in our government!

**Chris Rodenbaugh** of Reedy Creek Utility Company brought a potato by the **EYES & EARS** office that had a familiar silhouette . . . we could almost swear it squeaked while we were taking a picture! The potato was grown by some home town folks, **Mr. and Mrs. T. C. Davis** of Bishopville, Md. Have you come across some strange shapes in the vegetable and produce sections of your favorite grocery store or garden? If so, drop by the **EYES & EARS** office and let us take a look at it . . . and if it's unusual enough, you just may find your name and a picture in **EYES & EARS**!

## LATE BREAKING NEWS...WALT DISNEY WORLD EXCEEDS UNITED WAY GOAL BY \$45,000

As of late Wednesday afternoon, Walt Disney World not only met our **United Way Campaign** goal of \$180,000 but **exceeded** it by \$45,000... bringing our total contributions to date to approximately \$225,000... a fantastic boost to the tri-county United Way Campaign for 1976! But even more fantastic is the fact that pledge cards are **still** coming in, and we **cannot predict** at this time where the final campaign contribution Company-wide will end!
